To Whom It May Concern:

I have known Mohamed Ahmed in a variety of capacities for many years. He has been one of the most outstanding students in the university campus since the first grade.

His studies have never been a deterrent for him to participate in extracurricular activities, and he has shown his hidden talents in many fields. He was a member in the university student union, theater cast, and leader of science club of the university. He won many prizes in several fields.

He was an active participant in many community endeavors and involved in his local community. He was a volunteer in Egyptian Special Olympic Union for handicapped athletes and a volunteer in Control and Treatment Addiction Fund.

Mohamed is an organized, capable, dedicated, and personable young man. He is goal-oriented, has excellent communication skills with people of all ages and he always quick on his feet.

Because of his drive to succeed and proven abilities, Mohamed is a worthy candidate for the program. If you have any questions regarding Mohamed's character or achievements, please do not hesitate to contact me (Fax: 002-025555008)
